January 2008

Dear Parents/Carers and Students of Sedgehill School,

During the Ofsted Inspection earlier this term we were invited by the Inspectors to meet with them to give our views on the school. We were asked questions – some very searching– and had the opportunity to talk about our role within the school and our plans for the coming months. We talked about different teaching methods and how the school as a whole has improved since we have been here.

During this period, we aided teachers by making sure the school was looking its best and some of this is down to the students themselves. We were delighted that nearly all students in the school showed their loyalty to Sedgehill by wearing their uniform so well, looking their sharpest and behaving fantastically.

The Inspectors were very complimentary about the way in which students throughout the school support one another, with younger students commenting on how they feel and that older students ‘look-out’ for them.

To have the comment ‘The Head Boys and Girls are passionate about their work’ made us feel very proud to represent the school in the best possible way.

We hope that the report will give you a clear insight into how the school has improved immensely over the last few years.

On behalf of the Prefect team, we would like to thank you for your exceptional effort over the two days and your continued support for Sedgehill School.

Yours faithfully,

Jamie Narborough
